Introducing

Mary-Laura Klesaris, MD!

Dr. Mary-Laura Klesaris, Medical Director of Skintology Medical, specializes in bio-identical hormone replacement therapy. She is board-certified in Internal Medicine by the National Board of Physicians and Surgeons. She has 22 years of experience in internal medicine, as well as extensive post-graduate training in age management. Dr. Klesaris completed a fellowship in bio-identical hormone replacement therapy with Dr. Sangeeta Pati, whose distinguished Sajuine Institute for Restorative and Regenerative Medicine in Orlando is among the most acclaimed centers in the country practicing restorative medicine. Dr. Klesaris is fellowship-trained in regenerative medicine through the American Academy of Age Management Medicine (A4M).
